

Commander Sez:

Installation of officers will be held at the General Membership Meeting July 21, 2010. Damon Jackson will be the installing officer. Gratitude is the best attitude.

Damon Jackson
 Commander

Here is a *HELLO* to all our long time members who reside to far from our location to come by and visit. Thank you for being a continuous member of Post 626.

Did You Know?

You always hear how things are going at the post, but never attend any meetings. Some persons refer to the canteen as the "post." The canteen is a post option to provide it's member with an atmosphere to come and socialize with other members. The post does not rely on the canteen to function, but the canteen must rely on the post to operate.

The canteen is not a non-profit unit, but is a part of the post which is tax exempt. Profits from the canteen help keep costs at a below-level margin and also provide the post with other income to apply toward the various charities it supports. For the canteen to operate at an upper most level takes membership support and you have been doing great. Thank You.

Want To Help?

Anyone who has the time and would like to volunteer to assist in the various projects, call or come by the post and leave your name.
